

Press release of the 6th July 2008

14th Suedtiroi Dolomiti Superbike in Niederdorf/Villabassa (Suedtiroi/Alto Adige- Italy)

1st Special Dolomiti Superbike

Today about 15 participants from Suedtiroi/Alto Adige took part at the first competition of the Special Dolomiti Superbike. Three times the athletes of the deaf,- blind- and physically disabled sports group completed a two kilometres long course with start and finish in the centre of Niederdorf/Villabassa. The competition was coordinated by Herbert Alber, speaker of disabled sports in the VSS (Union of the Sports Associations in Suedtiroi/Alto Adige). Up to now this event always took place in Kastelbell (Suedtiroi/Alto Adige) in September. Michael Prenner, the president of the Transplant Sports Club Suedtiroi/Alto Adige, took part at it as well. The athlete from Auer (Suedtiroi/Alto Adige) has often been the medal winner at Transplant World Games.
